MESSAGE FROM THE BOARD CHAIR

Dear Friends of United Way of Greater St. Joseph,

I was taught by my mother at an early age to do all that you can to help improve the lives of others. Since moving back to St. Joseph, I have tried to do what I can and being a part United Way of Greater St. Joseph provided me a tremendous opportunity to improve the lives of others.

Each one of us who give, who advocate and who volunteer are part of United Way.

The past year has been full of activity - new, resumed and continuing. Below and on the following pages you'll be provided a glimpse of what each one of us helped make possible:

- In March, a distribution of COVID supplies donated by Westlake Hardware and Triumph Foods, LLC was organized. More than 20,000 items were distributed to 22 organizations.
- United Way PACE (Partners & Agencies Collaborating & Educating) sessions returned. The sessions offered learning opportunities for area community members and staff of non-profit organizations.
- Doug Walter and Phil Michaud led the Community Investment Division for United Way, engaging more than 150 community members in the review and decision making process for determining how campaign dollars are invested into Partner Agencies.
- Thanks to the generosity of thousands of donors and the leadership of Campaign Chair Scott Albers, the fall Annual Campaign raised \$2,423,134 to support agencies, programs and services in 2023.
- United Way continued as an active partner with the Community Alliance and the Imagine St. Joseph 2040 community plan. United Way is helping to convene efforts around early childhood and preventing and addressing homelessness.
- United Way has and will continue to respond when the unexpected occurs, often assisting with coordination, communication and connecting resources.

It has been my privilege to be involved with each of you as we work together through United Way to improve the lives of others.

Each of us are making a difference through the daily work of United Way Partner Agencies and Initiatives.

Thank you for placing your trust in United Way of Greater St. Joseph.

With gratitude,

Jason Grayson, Board Chair

HOW UNITED WAY WORKS

You are invited to be part of United Way of Greater St. Joseph. You can give, advocate and volunteer to improve lives in our community.

Traditionally, United Way has been known for harnessing the caring power of community through giving, advocating and volunteering and is most well-known for the annual United Way Campaign that takes place each fall. Through the Campaign, hundreds of businesses and thousands of individuals make pledges to improve lives through the caring power of community.

The majority of dollars raised through the annual Campaign are allocated to the network of United Way Partner Agencies to help sustain their current programs and services. More than 150 volunteers are involved in deciding how those donor dollars are allocated.

A portion of each year's Campaign is held in a grant making fund called the United Way Community Investment Fund. Through this grant opportunity, area non-profits that meet United Way's criteria in financial accountability, program delivery and outcomes are eligible to apply for grants to further meet community or agency needs.

Giving to and through United Way continues to be one of the most impactful, effective and efficient ways for individuals and businesses to improve lives in our community. When the lives of our friends and neighbors are improved, we all are made better and our community made stronger.

A single gift to United Way does not impact a single agency nor a single program- it impacts dozens of agencies, hundreds of programs and thousands of individuals. Additionally, supporters and community members can rest assured that strong volunteer involvement and oversight ensures those receiving funding from United Way are:

- **being held accountable for the dollars they receive from United Way**
- **working together to reduce duplication of efforts and increase efficiency**
- **considering new approaches to address the needs of our community**
- **collaborating to meet unmet community needs**

UNITED IN CARING, WE ARE WORKING TOGETHER AND MAKING LIFE BETTER

*You are improving local lives in the areas of education,
health and financial stability. Last year...*

More than 330 children received early care and education to help them begin their school years ready to learn	5,074 adults and children received needed mental health services and substance use disorder treatment	113 children with a disability or special need and their families received services that helped the children work toward important milestones
247 women and their children who were victims of domestic or sexual violence received emergency shelter	494 senior adults received 83,185 nutritious meals to help maintain health	631 people who were in crisis were able to access a mental health clinician for a crisis screening
118 pregnant and parenting teens and adults were engaged in programs and services to help them and their young children with supports and stability	112 previously homeless households lived in transitional, permanent or supportive housing	More than 150 adults with disabilities held jobs through sheltered and supported employment

*All of this, and so much more, was possible through
United Way agencies and programs, **because you gave.***

UNITED WAY INITIATIVES

Financial Stability

Providing opportunities for individuals and families to become financially self-sufficient since 2009.

In 2022, United Way promoted free tax preparation services offered through Partner Agency InterServ and MyFreeTaxes.com. InterServ helped 1,025 community members file tax returns and receive refunds totaling \$956,748. Free tax preparation services help individuals and families keep and save their own money.

Leadership St. Joseph

Building the skills of individuals to be effective leaders in the community since 1982.

United Way Leadership St. Joseph is an annual, year-long leadership development program for adults living or working in the St. Joseph area. The program helps create a network of trained individuals willing to engage in leadership and community service with enhanced knowledge of our community's opportunities, realities and challenges.

In 2022, the program returned to in-person sessions and 25 community members graduated from the program. Since 1982, the total number of graduates is 973.

During the year, participants learned and practiced project development and essential leadership skills. The class was divided into four groups and was challenged to learn the process of developing a project that would meet a community need.

Group projects included financial literacy videos for young adults, a resource guide for fathers, community mentors for college students and "harvest boxes" containing fresh produce from local community gardens to promote healthy nutrition.

The 2022 Distinguished Leader Award was presented to Brenda K. Shields, 1990 United Way Leadership St. Joseph graduate. The Distinguished Leader Award is presented every year to an individual who exemplifies leadership while serving the Greater St. Joseph community.

Profit In Education[®]

Improving the education level of the potential and current workforce since 1989.

United Way Profit In Education works to increase the high school graduation rate and collaborate with and support education efforts across the community.

In 2022, United Way Reading Adventure was held at four school-age child care sites during the summer and at three elementary schools during the fall semester, reaching more than 200 children. The goal of United Way Reading Adventure is to help elementary-age students maintain and improve their reading skills and help build their home libraries through new and donated books. In partnership with Second Harvest's No Hunger Summer, United Way Take A Book Tuesday distributed thousands of books to hundreds of children throughout the summer.

United Way Speakers' Bureau linked volunteers from different industries with classrooms, career days and events to help students learn about various careers and employer expectations. More than 65 local professionals shared with more than 1,000 students about their careers in business, skilled trades, information technology, public safety and healthcare.

Success By 6[®]

Preparing children to be successful learners when they begin kindergarten since 1999.

United Way Success By 6 works to prepare all children to be successful learners when they begin kindergarten. The initiative works through community-wide collaborations to support parents, child care providers and others to facilitate the development of children ages birth to six.

Supporting Quality Early Care and Education

In 2022, support was provided to early care and education professionals through educational scholarships, trainings and leadership development opportunities. Eight individuals were awarded scholarships to pursue associate and bachelor degrees in early education.

Area providers recorded more than 1,212 hours of training through workshops, events and sessions organized by United Way Success By 6.

An annual day long conference—The Directors' Symposium—returned as an in-person event on the campus of Missouri Western State University and provided early care and education leaders an opportunity to connect with each other and learn about key leadership and management topics.

Success By 6[®] *continued*

Supporting Parents and Primary Caregivers

Resources and training to empower parents and primary caregivers to be their child's best first teacher were made available in 2022. A series of 'Raising Children with Conscious Discipline' sessions were offered in the spring and fall. These trainings help parents and caregivers understand how to support the social and emotional development of children.

Parent Educators from the St. Joseph School District delivered United Way Success By 6 Baby Bags to more than 400 families with newborns at Mosaic Life Care. Baby Bags included guides to early development, information about local resources and a new children's book to help build each child's home library.

United Way KinderClub is a program designed to prepare soon-to-be kindergarteners and their families for success in kindergarten and beyond. Area school districts were able to offer United Way KinderClub to their families through lesson plans and resources provided by United Way.

Home visitors, Parent Educators and other parent education professionals work directly with parents and primary caregivers providing support and resources to help them facilitate their child's development. In partnership with the St. Joseph School District Parents As Teachers and Community Action Partnership Head Start, United Way continued to organize a Home Visitors' Network which included professional development sessions and strengthened the coordination between family serving organizations.

Improving the Systems that Impact Children and Families

United Way continues to serve as the Capacity Building Partner for Child Care Aware of Missouri and the co-leader of Missouri Department of Elementary and Secondary Education's Regional Hub Readiness Project in Northwest Missouri. This work builds collaborative partnerships across the region to support young children and their families.

In 2022, United Way was able to offer assistance to child care providers applying for grants from the State of Missouri. Providers in the region were awarded more than \$2.25 million which helped sustain 2,168 licensed child care slots and create 246 new slots.

Throughout the year, representatives from business, government, education and child care met to discuss the availability and affordability of child care; how to prepare children for kindergarten; how to connect families to resources to positively impact their child's growth and development; and other topics.

SingleCare[®] Prescription Assistance

Saving residents money on prescription medication with a free prescription discount card since 2007.

The United Way SingleCare prescription discount card can be used as often as needed by anyone for any qualifying prescription; it is like a reusable coupon for many different prescriptions. During 2022, people in the area saved \$217,817. The Greater St. Joseph community has saved \$2,884,701 on prescriptions since the program's beginning. To obtain a card, please call the United Way office or visit stjosephunitedway.org.

Unmet Needs Committee

Collaborating to connect people in need to resources to solve immediate needs with lasting impact since 1993.

United Way Unmet Needs Committee is a group comprised of representatives from non-profits, churches, utility companies, government agencies and community members who meet regularly to identify resources and solutions for cases brought before them by agencies. In 2022, the committee collaborated on cases with medical needs and complex barriers to stability. In addition, the committee shared program updates to keep one another aware of existing, new and changing resources.

Volunteer Center

Connecting the community through volunteerism since 2009.

United Way Volunteer Center is a central resource for volunteer needs across the Greater St. Joseph area. Individuals, groups and corporations seeking volunteer opportunities can find a variety of options calling for varying levels of commitment available at many different non-profit organizations.

In 2022, through United Way Volunteer Center's online presence, 92 unique volunteer opportunities were shared by 25 local agencies.

Throughout the year United Way Community Volunteer Resource Network (CVRN) meetings were attended by individuals who manage volunteers for local organizations. CVRN promotes and develops effective volunteer management programs in the community and enhances the knowledge, skills and connections among members. United Way is building capacity of community volunteer coordinators through the network.

The 14th year of United Way STUFF THE BUS! School Supplies Drive, sponsored by Mosaic Life Care, brought together more than 200 volunteers who collected more than 21,000 school supply items. Collected supplies were distributed through The Salvation Army and to area schools.

The St. Joseph Mustangs and United Way Volunteer Center introduced the United Way TEAM PLAYER Award program in 2022. The goal of the program was to highlight and celebrate the impact volunteers have in our community.

STATEMENT OF FINANCIAL POSITION

The grants above had activity in 2022. The amounts include awarded amounts and the total distributed to-date as of December 31, 2022.

Throughout the year, additional allocations may be approved by the United Way Board of Directors. United Way does not charge fees to agencies for participating in the United Way Federation.

Housing Stability & COVID Relief Funds

In addition to Initiatives, United Way has two funds to meet otherwise unmet needs in our community. The United Way Housing Stability program is a fund used to assist individuals and families with homeless prevention and barrier removal so they can maintain or attain stable housing. The COVID Relief Fund was established in March 2020 and is designed to provide assistance to those impacted by COVID.

Crystal Circle Membership 2022

Crystal Circle members are leadership givers who contribute an annual gift of \$1,000 or more to the United Way Campaign. In addition, Crystal Circle donors whose annual gifts exceed \$10,000 become members of the Tocqueville Society, a category recognized by United Ways worldwide and named after French author Alexis de Tocqueville. He observed that Americans are quick to help people in need, and he applauded our voluntary efforts for the common good.

In 1989, seventy supporters of United Way of Greater St. Joseph formed the first Crystal Circle. Current membership exceeds 550 households and constitutes approximately 50% of the United Way Campaign. Leadership giving amounts to more than \$1.1 million of the total United Way Campaign.

Members published in this directory made a pledge to the 2022/2023 United Way Campaign.

~Donors who have made planned gifts are members of the Legacy Society.~

BE THE CARING POWER

GIVE.

You can give to United Way in a variety of ways:

- through payroll deduction at many workplaces
- by direct debit from a checking or savings account
- one-time or monthly through stjosephunitedway.org
- through Venmo @UnitedWayStJoe
- by mailing in a contribution

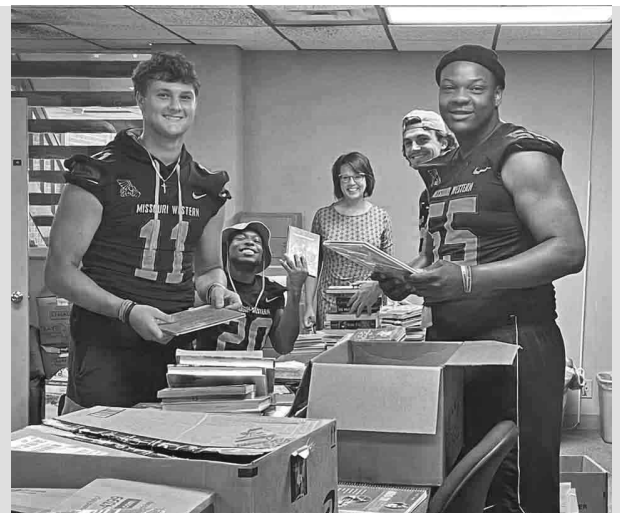

ADVOCATE.

United Way needs people who are passionate and willing to share their support. Whether face-to-face or over social media, let others know you are part of the caring power of community.

VOLUNTEER.

Open your heart. Lend your muscle. United Way Volunteer Center connects people who wish to volunteer with local opportunities.
